Richmond, VA 23231

Ribbon Cutting Ceremony 11:30

Tours 12:00-1:30

GRAND OPENING

Virginia's First Solar Community!

Villas at Rocketts Landing

- ◆ Refreshments Served
- ◆ Three Model homes available for inspection
- ◆ Introducing a balanced approach combining advanced building science practices with onsite solar electric generation that is a first in Virginia. These next generation solar homes combine high-efficiency performance with an affordable price tag, while lower energy bills make them more affordable for the customer to own.
- ◆ Affordably priced from \$222,000 to \$249,000
